Ok. If you don't have time, then don't worry about it. I can just bring you specific questions if I have any when I'm done looking at it. If you do look at, just do a very high level look at it – I think you probably have a better perspective than me on what generally to look for in the BA and how it should be organized.

Hi,
I think you were on by phone the last time I spoke with Lynne and we haven't spoken since then. If you'd like me to take a look at it, I can do that this afternoon.
Thanks, Kimi
